

Output

3:43 100%
Enter first number
Enter second number
+ - x /
Reset
Result: 0

 A mobile application interface for subtraction. At the top, the status bar shows '9:45 AM', signal strength, Wi-Fi, and battery. Below is a light purple header. The main area has two input fields: the first contains '8' and the second contains '4' with a cursor. Below the fields are four purple buttons with white symbols: '+', '-', 'x', and '/'. A wider purple button labeled 'Reset' is below them. The text 'Result: 4.00' is displayed. At the bottom left is a white circular button with a hamburger menu icon. A dark horizontal bar is at the very bottom.	 A mobile application interface for addition. It has the same layout as the subtraction interface. The first input field contains '8' and the second contains '4' with a cursor. The four purple operation buttons are '+', '-', 'x', and '/'. The wider purple button is labeled 'Reset'. The text 'Result: 12.00' is displayed. A white circular button with a hamburger menu icon is at the bottom left. A dark horizontal bar is at the very bottom.
Subtract	Add

 A mobile calculator app interface with a light purple background. At the top, the status bar shows the time 5:44, signal strength, and battery level. Below the status bar, there are two input fields: the first contains the number '8' and the second contains '4'. Below the input fields are four buttons: '+', '-', 'x', and '/'. Below these buttons is a 'Reset' button. At the bottom of the screen, there is a circular menu icon with three horizontal lines. The result 'Result: 32.00' is displayed at the bottom of the screen.	 A mobile calculator app interface with a light purple background. At the top, the status bar shows the time 5:44, signal strength, and battery level. Below the status bar, there are two input fields: the first contains the number '8' and the second contains '4'. Below the input fields are four buttons: '+', '-', 'x', and '/'. Below these buttons is a 'Reset' button. At the bottom of the screen, there is a circular menu icon with three horizontal lines. The result 'Result: 2.00' is displayed at the bottom of the screen.
